- I am informed that for my child to be considered for the RAD examinations, he/she MUST attend two ballet classes per week of their level, however I realise that this still does not ensure eligibility if he/she is not ready.
- I hereby give permission for my child to attend dance classes at the scheduled location and I understand that whilst every care and measure will be taken to ensure safety, participation in dance activities carries a risk of physical injury.
- I understand dance is a 'hands on' art form & teachers or other students may on occasions have physical contact with students.
- I understand the Student is only supervised by the staff of the school during tuition. Appropriate drop-off and collection time must be arranged by the guardian/parent before and after tuition.
- I hereby indemnify TPDS or its servants or agents against any claim by me on behalf of the above named student in relation to any injury sustained to my child's person or any damage sustained to his/her property. Should it be considered at any time that the child requires medical assistance or hospital treatment, I hereby direct and authorise TPDS staff to obtain this assistance if needed.
- I will ensure my child understands & abides by the Turning Pointe Dance Studios Code of Conduct and School Rules. Permission is given to photograph, film, or video students to be used for studio publicity or memorabilia.
